Our new patio is open and a fence has been constructed by members of the Post. Member who use the patio are responsible for cleaning up after themselves. Smoking is permitted and it is our hope that cigarette butts and ashes are not left on the patio. Thank you for your assistance. I would also like to thank Jo Ann Kerr for donating her propane fire pit for the patio.

Our participation in the Independence Day parade was a great success. It would not have been possible if not for the generosity of Mark Linton for the use of his trailer and for towing it. I need to also thank Dick Poczik and Mark for helping to build and install a canopy to the trailer. The shade from it made the ride comfortable for those that rode on the float. I would also like to thank the members of the VFW Auxiliary, VFW, American Legion and Mary Jo Linton that helped decorate the float, ride on it, and pass out American flags and candy. Leading the float was our joint VFW and American Legion Honor Guard. Again, thanks to all those that helped make our participation in the parade such a wonderful success.

I'm happy to inform our membership that we recently received a check from our insurance company for the repairs of our shelter house. We now need to work with a contractor to determine when the repairs can begin. Thanks to Gary Sams for spearheading the bids process.

Thank you for your support
Richard Leister
